Scenic Golf & Country Club

An earlier start to the season than year's past!

Dear Members,

It feels great to be back at the course for another season here at Scenic. We have taken down another 25-30 trees on holes #1, #13, & #15 throughout the winter months and plan on getting the stumps out this spring. We have gotten an earlier than normal start on the course, with the warmer & drier winter & spring.

We could still use your help on Member clean-up day on **Tuesday April 11th @ 9:00am**. Bring a rake and gloves, and

help out where you can.

We will start our events off this season with our **"Spring Fling Welcome Back Scramble and Dinner"** on Saturday May 6th @ 1:00pm. The sign-up sheet is located once again this year at the front entrance of the golf-shop.

Mother's Day Brunch is scheduled for Sunday May 14th from 10:00am-1:00pm. We have some exciting new menu items on this years Brunch menu, including an Omelet station!. Please make it a point to be here for Mom's special day this year at

Scenic. Please call the Bar & Grill for reservations, 453-2233.

We look forward to another great season at Scenic. and we hope to see you on the first tee soon!

God Bless,
Michael Guza

Grounds-

About 25-30 more trees were taken down this winter, not bad with the conditions a lot milder than normal. Only about 50 more ash trees to come down, we will have most of them down by this fall or next winter.

We will be starting some bunker renovation's this week. Holes #1, #4, #5, #7, #11, #12, & #16 are on our list to accomplish this summer. It all won't get done this spring, but we hope to tackle at least a couple each month and have them completed this fall.

The Bar-

We are excited to have Kristi, Tony, Chrissie, and Lilly back for the 2017 season. We will be opening with a limited menu on Friday April 14th.

We once again will be offering our Mother's Day Brunch on Sunday May 14th. Friday night Fish Fry's are back, starting Friday May 26th, and every other Friday throughout the summer months. Sunday Brunches will be held once a month, 10:00am-1:00pm. Please view the dates on the website or around the posted areas in the club.

The Grill-

We welcome Casey Monette here to Scenic this season. Casey is the owner of the Riverside and will be with us this year to manage our Kitchen.

We are in the planning stages of our menu, and we will get it sent out to you as soon as it's completed. He has some great new items to add this year, including pizza's!!! We look forward to a great year with Casey and his staff, we hope everyone will make him feel welcome here at Scenic.

Golf Joke-

"A slow golfer was getting lip from his caddie all day when he finally broke.

That's it, I've had enough of your lip, I'm going to have you fired when we get back to the clubhouse"

"Are you kidding me?" said the caddie.

"I'll be retired by the time we get done!!!"

Dear Ladies,

Once again it is almost time for the golf season to kick off. I want to extend an invitation to **all** of the Scenic Ladies to come and join us on Tuesdays throughout the summer for golf, lunch and/or cards. Our golf committee has a lot of good things planned for this summer.

Our tee time for **May is 9 AM**, just be at the pro shop by 8:45 to sign in.

For May 2 we will play Closest to Noon Temp, hopefully the weather co-operates.

Hope to see all of you.

Greens, Tees, & Landscape-

APRIL 2010

From the Greens, Tees and Landscape Committee

The GTL Committee would like to wish you a great opening to the 2017 golf season. With the mild and dry winter we experienced, Scenic seems to be in good shape welcoming us to our early season rounds this spring.

Last year the membership gave this committee inspired direction and great support for improving our course. Sand trap and pond maintenance was a common issue with the majority of our members. The board approved the purchase of a new bunker rake tractor and approved an increased budget for chemicals and pond maintenance. Mark and his grounds crew have already started to treat the ponds and work on the bunkers.

The fall planting went extremely well adding 30 trees to the course in needed and strategic areas. Thanks go to Troy Gunden and Lee's Nursery for their efforts and to the donations from Pete and Edna Dutcher, Dody Yahn, the Women's Division, the Men's

Division and the Memorial Tournament, along with the funds generated by this committee for funding that endeavor.

One of the programs which enable us to fund these projects is the sale of the monogrammed bricks lining our clubhouse walk. We are including an order form. These forms are also available in the clubhouse or pro shop.

We rely on your input to give this committee direction for future projects. Please see Mike or any of the committee members to give us ideas and direction. We would like to thank you, the membership, for the support you have given this committee and the hard work of the GTL committee members. Please see Mike or any of the GTL committee with your ideas.

Thank you.
