When is the warm weather getting here?

Dear Members,

That's the question, and it seems like we ask ourselves every year about this time. We sure hope it is coming soon!

Well leagues have started last week and most of the other 3-4 will begin within the next 2 weeks. Scenic Men's day will begin this Thursday May 2nd, with an 11:00am shotgun start. The Ladies day will begin on Tuesday May 7th

at 9:00am.

The course is in good shape, we have lost a few days of work the past few weeks due to the snow & rain. 2/3 of the irrigation project is completed and we are waiting for the front of #1 green area to dry up enough to run the remaining tile. We hope to have this completed by the end of May at the latest. With the wet weather, we have seen an improvement in the drainage of holes

#2 & #8.

Mother's Day, Sunday May 12th, 10:00am-2:00pm, Friday Night Fish Fry's, Friday May 17th, 5:00pm-8:00pm, Dave Krohn Outing, Saturday June 1st, & Scenic Welcome Back scramble on Saturday June 8th @ 1:00pm are just a few activities that we have going for the next month, hope you can get involved at YOUR CLUB! God Bless,
Michael Guza

President's Report-

FROM THE BOARD:

It's been busy at Scenic! At last months Board meeting, it was reported that phase one of the tiling and drainage project that we started last fall, has yielded positive results. Draining the wet area in front of #1 green is the final part of the project and should be completed soon. In an effort to reduce utility costs, the

bar & restaurant lighting has been upgraded with LED fixtures, (thanks to GM Mike, Ken, Mark, & Rob Edwards), plus a cost saving phone upgrade has been ordered and work continues on the HVAC issues.

The Board has authorized GM Mike Guza to purchase tablets for the restaurant and a used greens mower for the

Grounds department.

Any questions, comments or suggestions, please feel free to call me anytime.

Grounds

We are hoping this weather starts to improve quickly. The grass has started to grow and we will begin our regular cutting schedule this week. We will also begin to roll the greens 2-3 times a week throughout the 2019 season.

We will begin to work on getting some bunkers done this month, #6, #8, #11, & #12 is on our list to complete. We have a few Ash trees left to cut done, and Kappen tree service will be cutting done the large ash behind #1 green soon, thanks, Mark Rogers

Greens, Tee's, & Landscape News-

Dear Members,

There is not much to report from the G,T,L at this point. We are waiting for everyone to return from their southern tours and then we will call our first meeting of the season. A brief review from last season finds us taking on revising the Purple Martin colony out between #6 and #13. With the help of Brian Papenhagen, Dennis Maguire, Dever Sturm and Gil Wichert we hope our newly painted and refurbished houses will soon be full of Martins.

You are reminded that there will be a drop area on #17 for balls traveling into Baur's ditch to the east and the pond on the west. The drop will be marked by a mowed area and/or markers about 15 yards in front of the green. Remember to drop from knee height.

We are looking for direction and projects for this committee to address so if you have any ideas please see Mike or any of the committee members:
