# THE SCENIC G & C.C. August Newsletter

## Scenic Golf & C.C.

### August has arrived WAY to quickly!

Dear Members,

Well, the month of July is behind us and August has snuck up on us very quickly. Labor Day is right around the corner! Wow!

We hope you have enjoyed your summer so far. It has been much cooler and wetter then last season to this point.

We still have plenty of activities to keep you entertained at the course this season, from golf outings, Sunday brunches, Fish Fry's, Prime Rib Dinner Night,

and many more events for you to participate in. So check out your schedule for the month, on the last page of the newsletter, to find the dates and times of all our events for the month.

July was a pretty good month, rain on a couple weekends hurt a little bit, but we got all the big events in and they were all pretty successful. We have had numerous compliments on the condition of the course and it's playability this season. Thanks to Mark and his staff.

Hope to see you soon on the first tee, and you are able to come out and support YOUR club in the many events we have left for the season,

God Bless,

Michael Guza

## President's Report-

Members,

The season is getting along fairly well with the rainy conditions we have had on the weekends in July. We hope you are enjoying your season here at Scenic and the many events that are available to you.

We are looking for inter-

ested members to help on a new committee we are starting, Marketing & Membership. If you have any interest please contact Butch Wagner, who will be helping start up this committee. Also, we are looking for members who would be available to run for the Board of Directors

Position, if interested please put a small resume together and get it to either Mike or Karen. Thanks, and we hope you are able to enjoy the rest of the golfing season at Scenic.

Jim Dunn,

President

Two axioms to follow when participating in Company golf.

1. The boss always wins
2. If the boss is behind, refer to axiom #1.

## Grounds-

My favorite employee punched in at the right times for the month of July! (Mother Nature) Couple of those times hurt the some good golf days. We received 2.6" of rain for July.

We have been able to fit in bunker construction into the schedule but that is first on the list after the Scenic Club Championship. We are taking care of some much needed things such as tree trimming. The stump holes are cleaned up and we are going to have to regrind some before we can fill them in.

Lots of golf season left for everyone to enjoy. Your grounds crew & myself will strive to keep conditions to the best of our ability, thank you! Mark

## The Bar-

We seemed to have a lot of new faces out at the clubhouse this month. A couple special events, Fish Fry's, Golf Outings, Prime Rib, Class reunions, and Anniversary party's, kept us busy for the month. And we have a lot of the same things happening up here in August. Check out the dates for our events this month

We appreciate the support and repeat business our membership have provided this season. We hope you enjoy the product that we are providing for you this season, thanks we will see you soon.

## The Grill-

Hello Scenic Members!  
We had a very busy July! Looking to keep up the pace through the rest of the season. Per requested, we are now offering perch dinners on the weekends from here on out. Look forward to seeing everyone at our next Fish Fry, August 4th & 18th, Prime Rib Night, Wednesday August 9th, & Sunday Brunch, August 13th. Thanks to everyone for the support!

# LADIES NEWS

Monday August 1st

Scenic Golf & C.C.

Jan Galler  
President

Wednesday August 2nd ,

Scenic Ladies,

Congratulations to Linda Voss for winning our Handicap Tournament this year and to Loretta Rollo for coming in second. Nicely done ladies.

Our annual Fun Day is Tuesday August 8 and there is still time to sign up. Registration forms are in the locker room. The theme this year is Viva Las Vegas and the committee has been working hard to make it a fun event. You can sign up a whole team or if you need players or are a single let us know and we will try to try to fill a team.

On another note our Ladies and Men's club championship is Saturday and Sunday, August 5 & 6. Sign-up

sheets are at the Pro Shop. There is still time to sign-up and participate.

August games are Beat the Champ, Fun Day, Flight Tournament/Low Net, Flight Tournament/Low Gross, Green Tee Shamble. Plan to be at the pro shop by 8:15 for 8:30 starting time.

We have a lot going on in August and would love to see all of you there. So come and join us for one or all of our golfing events

I hope to see all of you on Tuesday morning!

Janet Galler

Scenic Ladies President

## Greens, Tees, & Landscape-

April 2010

### From the Greens, Tees and Landscape Committee

In an effort to help maintain Scenic's excellent condition, we continue to encourage everyone to repair your divots and ball marks. Mark Rogers, our superintendent, has noticed improvement in these issues since the installment of the sand bottles on our cart fleet. Mike is ordering replacement bottles for our carts and if any members would like to purchase a system for their own personal cart, you can order it through the pro shop and installation will be free of charge by the GTL Committee.

The GTL sponsored "Fish Fry Buck and Doe Tournament" has been rescheduled to Friday, September 15 starting at noon. More information will follow. This is in coordination with the last fish fry of the 2017 season.

Reacting to many requests, Mark is replacing the "pop-up" 150 yard markers with the old PVC system. They seem to be more visible and make easier targets.

It has been decided that if we do a fall planting this season, it will be very limited. We need to get rid of all of the dead trees and stumps before we resume an aggressive planting program.

We would like to thank Ted Lieprandt, Jan Luedtke, Karan Garner, Donna Osentoski and any of the other volunteers that have helped maintain our flower beds and pots throughout this season.

We continue to encourage you, the membership, to share any concerns and ideas you may have regarding future projects for this committee.
