President's Report-

From the Board:
Summer has finally arrived...sure hope it stays around for awhile. I think I speak for all when I say this Spring has been a real challenge for Scenic. Rain-outs, cancellations and floods! Kudos to Mike and his staff and Mark and his crew for a job well done. The course is in great shape.

I'll have more to report on next month when we get the club financials from our CPA. So for now....Enjoy your course and the great fried chicken in the restaurant!

We are hope the weather

“A LITTLE GIRL WAS AT HER FIRST GOLF LESSON WHEN SHE ASKED AN INTERESTING QUESTION: "IS THE WORD SPELLED P-U-T OR P-U-T-T?" SHE ASKED THE INSTRUCTOR. "P-U-T-T IS CORRECT," HE REPLIED. "PUT MEANS TO PLACE A THING WHERE YOU WANT IT. PUTT MEANS MERELY A VAIN ATTEMPT TO DO THE SAME THING.”

Grounds-

It looks like the course will have received just under 5 inches of rain for the month of June. This is my ninth season at Scenic & this will be the first that we haven't had to water before July 1st! The rainfall has pushed back the tiling in front of #1 as soon as it dried out we will get it done.

#6 greenside bunker is completed the last third of it still needs to settle & firm up. #16 greenside bunkers we hope to have completed by the 4th of July, thanks.

Greens, Tee's, & Landscape News-

Greens, Tees, & Landscape Committee-

The committee would like to thank all of those who participated in our last Buck & Doe outing. We are having one later this year and welcome any single Bucks or Doe's to join us.

The GTL have met a couple times this summer and have completed and approved several projects that you should notice around the clubhouse. The sandstone brick around the well thanks to Jim Dunn. You'll also notice 3 new red umbrellas on the patio tables donated by the Papenhagens. Railroad ties have been purchased by the committee to replace some of the worn ties on #11 tee box and #11 greenside bunker. We are also awaiting the arrival of new tee makers that are in the shape of the Scenic

coat-of-arms appropriately colored to mark the blue, white, gold, and red.

The GTL would like to encourage any member with their own cart, to purchase a sand bottle and holder for your cart. See Mike to purchase one. Installation will be free and we do have extra bottles at the golf shop, let's keep those divots filled!

Thanks to Jeff & Theresa Lemmer for their donation towards our tree fund, thanks.

We encourage any members to share with us any ideas you may have for future projects that may fall under the scope of the committee. See Butch Wagner, Karan Garner, Jan Luedtke, Jim Dunn, Dody Yahn, Don Parrish, Orlin Murdoch.
