Summer has arrived!

Dear Members,

The end of May sure was a lot more pleasant than the first 2-3 weeks of it. We had a really good Memorial Day weekend, with our Friday Night Fish Fry, and a really steady amount of play over the whole weekend.

A lot of events will be held this month, starting with a Prime Rib Dinner night on Saturday June 3rd from 5:00pm-9:00pm. We know Casey will do a great job, and he hopes to see you out here on Saturday. The Bob Main Memorial,

Sunday June 11th, Fish Fry Buck & Doe couples event, Friday June 9th, Sugar Slicers Outing, Wednesday June 14th, Friday Fish Fry's, June 9th & 23rd, Father's Day Brunch, Sunday June 18th, Scenic Ladies Open, Tuesday June 20th, Junior Golf Camp, Monday-Thursday June 26th-29th. We hope you are able to get involved and participate in some of these great events.

We have had nothing but compliments on the condition of the course the past few weeks, we plan on keeping it this way for

the summer months.
Hope to see you soon,
God Bless,
Michael Guza

Memorial Day has passed and the golf season is now in full swing. I hope all are in good health for this season.

The course is in fine shape and the grounds crew is working on traps and are busy trimming trees.

The restaurant is improved over last year and we are looking forward to your continued support, so stop in and meet the new staff.

Enjoy the season!

Golf Joke-

“Two golfers were playing a quick round when they came upon an older couple.

“Hey buddy, why don’t you help your wife find her ball so we can play through?”

“Oh, she found her ball. Now she’s looking for her club.”

Grounds-

The end of May shaped up for all golfers weather wise. Maybe it could have been even warmer, but I am sure we will have plenty of warm days to come. We only had 3 inches of rain for the month, most of it in the first couple of weeks.

We plan to continue with some more bunker renovations. We plan to do #1 greenside bunker & both greenside bunkers on #12. I hope you have had the chance to see if not played out of #7 & #8 bunkers to experience the noticeable difference in playability!!

We plan to continue to make noticeable changes to help the playability of the course for everyone to enjoy.

Superintendent

The Bar-

Dear Members,
I would like to start off by saying our first fish fry was a huge success! I would like to thank all of you for supporting that. We would love to see you at more of them.

If you haven’t already please make reservations for our first Prime Rib Dinner, this Saturday night.

I think June is going to be a very busy month as we are starting to see a lot of new faces already. Check out our upcoming events and have a wonderful June everyone!

Clubhouse

The Grill-

Hello Scenic Members!
Our Mother’s Day Buffet went over extremely well, as well as our first Friday Fish Fry for the season. Thank you for everyone that showed their support and came out. Also, we will be testing out new dinners and buffet entrée ideas during leagues the past few weeks. Look for fresh new specials and lunch/dinner as I get to know everyone. As always, feel free to let me know anything we can do to improve, and any recommendations for future entrees!

Jan Galler
President

Dear Scenic Ladies,

June 27 is a Green Tee Shamble.

Well it seems we finally have some dry weather to golf. May was not a good month for us on Tuesday's. Hopefully June will be drier and we can get some rounds in. Our starting time for June is 8:30. We ask that you be at the pro shop by 8:15 so we can make up teams.

I hope to see all of you on Tuesday morning. Till then hit then hit it straight and by all means have fun.

Janet Galler
Scenic Ladies President

Our play of the day will be

June 6 – Orange Blossom,

June 13 – Blind nine,

June 20 is the Ladies Open

Greens, Tees, & Landscape-

APRIL 2010

We hope everyone is enjoying Scenic's plush but cool spring and shooting some good scores.

The GTLC is sponsoring our first of two "Fish Fry - Buck & Doe" Tournaments It will be June 9th with tee times starting at noon. The tournament will be an 18 hole mixed couple event with handicap. See details and sign up in the pro shop. We designed it so you can stick around after the awards presentation for Scenic's famous Friday Night Fish Fry.

After last fall's planting of 30 trees and a significant removal of some of our dead trees, the committee has decided to let the Scenic membership "digest" the new look and profile of the course before designing and planning another planting. While playing Scenic this season, view the course objectively and note things that the GTL committee can address in future projects and bring them up to Mike or any of the committee members.

Even though course drainage is not one of our projects, it is still a

major concern to this committee as it should be to all of our membership. If we experience significant rainfall amounts, there are parts of our course that will have standing water. These pockets may last several days. The GTL committee has purchased two signs that will be placed on the entrances of #1 and #10 fairways to remind everyone to "KEEP CARTS IN THE ROUGH AND ON CART PATHES ONLY" during your round and during these wet conditions.

Last year in order to fund our projects the GTL sponsored a very successful "Scenic Commemorative Brick Sale". We would like that to be a continuing program. Bricks are \$50 and order blanks are available in the pro shop or clubhouse.

We would also like to take this opportunity to thank Mike Gehrs and Jeff Lemmer for their generous donations to our projects. Also thanks go out to Eric Gardy and Wallace Stone Quarry for donating topsoil to Scenic and to Bucholz Trucking for the free delivery.
