### What a great Memorial Day Weekend!

Dear Members,

Well, the past weekend was surely what we have been waiting for. Perfect weather for golf, boating, and any other outdoor events you had planned. We had a very good weekend, probably the busiest Memorial day since I have been here.

With the season just getting started, we have the Welcome back Scenic Scramble set for Saturday June 9th at 1:00pm. Come join us for a fun filled 4 person scramble, make your own team or we can pair

you up with someone. Followed by dinner and handing out winners of the outing.

We also are starting 2 new events, the Queen of hearts game and a raffle for a chance to win \$599 towards a 2019 membership, both are open for Members & guests of Scenic. We plan on starting these events at the beginning of June, and I have a flier attached for more information.

As mentioned in a few other spots, we have a private rehearsal dinner planned for Friday June

22nd, so we will not be having the Friday Night Fish Fry that evening. We will continue to have the Fish Fry's on every Friday for the remainder of the season.

With the weather finally breaking for the good, we hope you are able to get out participate in all the events on the course and in the clubhouse these next few months!

God Bless,  
Michael Guza

## President's Report-

Dear Members,

We hope you enjoyed your holiday weekend. The weather was great and we had plenty of play, with a lot of new faces on the golf course.

The course is in great shape, and we have had numerous compliments on it's condition from our

guests this season. Mark and his staff have started to renovate bunkers with there spare time, hole #2 was done this past week.

We do have our Scenic Welcome back belated spring scramble next Saturday June 9th @ 1:00pm and The Buck & Doe Couples outing on

Friday June 15th at 12:00pm tee times, we hope you are able to participate in one or both of these.

Jim Dunn  
President

## Grounds-

Overall May wasn't too terribly bad compared to April. Memorial Day weekend was awesome weather for golf. Rain totals for May was pretty good with just under 4 inches total.

We have 2 new crew members, John Gauthier & Joe Ales. We are fighting to keep up with the mowing. It seems the grass is growing over night.

A thank you to Don Parrish for letting us use his truck & trailer to take our sprayer to get fixed. Bunker construction WILL begin this week, thanks

Mark Rogers, Superintendent

## The Bar & Grill-

Hello scenic members!

Our Mother's Day Buffet went over extremely well, as well as our first fish fry of the season. Thank you for everyone that showed their support and came out.

I know everyone is patiently waiting for the new menu to "officially" be out. With many setbacks, I can finally say with confidence that it will be in your hands on Friday for this weekend!

Don't forget that Father's

Day is fast approaching as well. We have another over the top brunch buffet planned.

As always, feel free to let me know of anything we can do to improve/any special recommendations you would like to see.

We are holding a Rehearsal dinner on Friday June 22nd, so will NOT be holding our weekly Fish Fry that week. Sorry for the inconvenience, Casey

## Greens, Tees, & Landscape-

APRIL 2010

Dear Members,

The committee is looking forward to hearing from you regarding any ideas you may have to help beautify our club grounds. As we have requested in the past, please feel free to approach any of us with your thoughts. One of our toughest decisions so far is what to do with the hill behind #16. Your ideas are welcome! Also, please remember to place bunker rakes back in the sand trap when you are through raking.

We'll be laying a brick path from the parking lot to the dining room door in the near future. Jim Dunn has donated bricks and a beautiful design for this project.

Brick sales have slowed down considerably. If you can

think of anyone to memorialize or a company that would like to purchase a brick for their business that would be great. See one of us for an order form.

We're having our first "Buck & Doe" tournament on June 15 with t-times starting at 12:00. This is a fun event and one that really helps the Greens, Tees & Landscape committee garner some funds for our projects. So grab a guy or a gal and sign up at the pro-shop. If you need help finding a partner, contact Karan Garner - she'll hook you up! Format will remain the same with skins available to purchase. Cost is \$30/couple.
