President's Report

From the Board:

If it wasn't for all the RAIN RAIN RAIN! it would have been a great May! But May is done and the course is in great shape. Mark and his grounds crew have done a great job. The new tiling on #2 & #8 has reduced standing water and as soon as #1 dries up a little, new drains and tiling will be completed to fix the area in front of #1.

The Mother's Day Brunch and the Friday Night Fish Fry's have received great

reviews. Tell your friends.

The Board has approved a new roof Air Conditioning unit for the dining room and ok'd additional restaurant tablets to improve service. Bear with the staff as they learn to use these "new fangled things".

Looking forward, The Board has established a Capital Expenditure Committee to review the 1, 3 & 5 year equipment and infrastructure needs of the course.

Get out and enjoy YOUR course.

Again, any questions or concerns, please give me a call.

Regards,

Brian Papenhagen

We hope summer arrives soon!!!

Dear Members,

The weather will turn around soon, won't it? With the past 2 summers being very warm and dry, we might be due for a cooler summer this season, we'll see!

Leagues are going, Men's & Ladies Day are getting together each week. We hope you can find some event to join in on this coming month. We have the Men's season

long match play event, Scenic Spring scramble next Saturday June 8th @ 1:00pm, Couples Fish Fry outing on Friday June 14th @ 12:00pm, Scenic Ladies Open, Travis Baur Memorial Outing on Friday June 21st to participate in.

We had a pretty good Memorial Day weekend, a little rain on Saturday morning didn't wash out the weekend.

The course is in great shape and with rolling the greens this season we have a lot of compliments on them so far this season.

Hope you can get out here and start enjoying the summer months at YOUR course, see you on the 1st tee!

God Bless,

Michael Guza

Greens, Tee's, & Landscape News-

With the help of Mother Nature the Course is looking plush and green. The maintenance crew hasn't had to night-water in the month of May. The GTL have approved several projects that don't require a lot of water. With the help of Jim Dunn's donation of sandstone brick, we have constructed a wall covering the well faucets on the lawn of the clubhouse which replaces the dilapidated green lattice structure that was there. We will be replacing some of the damaged railroad ties that border the cart path leading to the #11 tee box. You will also see that there is now a drop area in front of #17 green for any ball landing in the pond or the Bauer Field to the East. Pass the word of this drop area to others. It should speed up play and prevent cart traffic across this approach

area. The GTL is sponsoring a Buck and Doe Fish Fry tournament on June 14 with tee times starting at noon.....so grab your spouse or significant other and have some fun with this event and join us for fish after the round. The cost is \$30 per couple. This includes prizes but not dinner. Several dinners will be given out for the winners including other good stuff. Proceeds will benefit other future projects by the GTL. If you have any ideas for future projects, please see Mike or any member of this committee. Thanks to the members of this committee and their hard work - Karan Garner, Jim Dunn, Don Parrish, Orlin Murdoch, Jan Luedtke, Dody Yahn, Ted Liepprandt and Butch Wagner.
