## SCENIC GOLF & COUNTRY CLUB

### No Signs of Golf quite yet!

Dear Members,  
I hope that you all have wintered well, whether that was up here or down south somewhere much warmer.

The outlook for the next couple of weeks doesn't look great, some high 30's and maybe a couple days in the low 40's. I will be back in the golf-shop starting Friday March 15th. If you need anything

please feel free to stop out or call me at the shop , 453-3350.

I have attached along with the newsletter, a schedule of events for the 2019 season. These are dates that we have so far, and if we add anything I will notify you or those dates. If you are planning on holding an event at Scenic, please contact me to secure a date for the 2019 season.

In the meantime we look forward to another great golf season at Scenic Golf & Country Club.

I hope the weather makes a drastic turn for the better, see you on the first tee!

God Bless,  
Michael Guza

### Grounds Report-

For the most part, as we have seen so far, the course has come through the winter in very good condition. We have a few areas of trees we removed to clean up and of course the

willow trees to take care of.

We had planned to start on some tiling and drainage projects around holes #1, #2, & #8 this winter but is was pushed to early

this spring.

We have added a couple pieces of new equipment and had some others worked on and have them ready to go for the season.
