Better days ahead, we hope!

Dear Members,

Well, I think we are all tired of complaining about the weather. We sure are due for a warm and dry stretch to make up for April. The forecast looks pretty good for the next couple weeks.

I did reschedule Spring Member scramble to June 2nd, but, we will have to move it to **Saturday June 9th at 1:00pm**. The outing we had on June 9th had to change dates, so it will be held on the 9th of June, hope you all can

make it out.

Mother's Day brunch is only 2 weeks away, and we are already filling up. Please call us to reserve your spot for that day. Casey and his staff have a great menu planned for you. We will also be holding our Friday Night Fish Fry's **EVERY** Friday night this season! With the great success we had last year, we felt holding it each Friday only makes sense. The opening one will be held on **Friday May 18th from 5:00pm-9:00pm**. Hope to see you out here!

We will be implementing a new program for May. Any member who charges, either in the Golf-Shop or Clubhouse will receive a 5% discount on there bill for that purchase. A benefit or your membership are charging privileges, so we want to reward you with a discount when you choose to charge purchases to your account. If you have any questions, please contact me, thanks.

God Bless,
Michael Guza

President's Report-

Dear Members,

The course is finally open, but the weather isn't the best. Everything is starting to turn green and ready for play. We hope to see all the snowbirds back soon and look forward to playing.

The course is in good shape and Mark and his

crew are at work, and the course clean-up is coming along fine.

Please take a minute to meet the new staff members in the restaurant and try the new menu. We are looking forward to have another fine year and hope to see you soon!

Grounds-

I think it’s safe to say April was a brutal month! I believe November & first half of December last year had better weather.

We are finally at the end of spring clean-up. We would like to say thanks to all of you that braved the weather and showed up for the spring clean-up.

After the course is cleaned up we will direct our efforts to some much needed irrigation repairs & charge up the system. We will then try some bunker construction & tree removal. We have lost one employee this season, and will be replacing him shortly. Thanks for your continued support, Mark

APRIL 2018

Members,

There is nothing new to report at this time. We will be meeting in the next 2 weeks to get a plan together for the season. One of our early goals is to do some work to the back hill area of #16 tee box. We are in the process of getting some options for this process.

Other than that, we will have some more information to pass along in the June newsletter. If you have any ideas of concerns on the golf course, please feel

free to contact any of the landscape committee members, thanks.
