## SCENIC GOLF COUNTRY CLUB

### Presidents Report-

Hello Scenic Members,

Hope you had a safe and healthy winter. I am thankful it's spring and the weather is turning warm. Some of you have already been out on the course and have seen how nice it looks for this time of year. Hopefully the good weather continues and our golf season will have an early start.

2021 should be another great year for Scenic. We added several new members last year, and have already added more new members in 2021. Please introduce yourself and others to the new members and make sure they feel welcome. The

club is made up of some great people and we want our members to feel like they are part of the Scenic family. We have a strong team - many of our staff have been working with us for several years and will be returning this year, and we have some great recent additions.

Over the past six months, we've made some nice improvements to the club. The tile work done late last year around number one green looks like it's been successful. We added some new turf equipment that should make our course management more efficient, and Nathan and his team have plans to make further improvements throughout the

course this year. In the clubhouse, we are wrapping up a project to replace the kitchen floor tiles and ceiling tiles (thanks to member Bill Gelinski for doing this work). The newly formed Clubhouse Committee, led by Karan Garner, has ideas for further improvements in the clubhouse. I am very excited about this year.

If you have any questions, comments, or suggestions, feel free to reach out to me. I look forward to seeing you at the club.

2021 APRIL CALENDAR	4

Dear Members,

It's sure been great to have golfer's out on the course in March! Last year we played a little at the end of March, and were then shut done until Mid May.

It's been a pretty quite winter up here. Nate and his crew have begun to clean the course up for the

season, and have actually mowed the greens and a few tees a week ago. I would like to welcome some new members to the club this year, Tom Lavigne, Michael McCain, James Bonnell, Trevor Carriveau & Family, & Donald & Jerrie Plegge. We look forward to having you at Scenic.

We hope the weather continues to get better through April, and you are able to get out and play some golf soon.

See you on the first tee!

God Bless,

Michael Guza

### Golf Joke-

“First golfer-  
Why are you  
using 2 caddies  
today?  
Second golfer-  
Because my  
wife feels I  
don't spend  
enough time  
with our kids!”

Scenic Members-

Spring is here and we are enjoying some decent weather for March. The golf course made it through the winter well.

The Lake levels are down and certain areas of the course have dried up from last fall. We also have a few projects planned after we get the course cleaned up. The first project we will work

on will be improving and incorporating a new bunker on the front left of #1 green.

We are looking forward to seeing all of you back at Scenic Golf & C.C. for the 2021 golf season.

We look forward to opening on Thursday April 15th for the 2021 season. Don & Toni are back again this season and we will be back and “closer” to normal than last year. We do plan on a Mother's Day event on Sunday May 9th. Keep an eye open for more info later this month. Thanks, see you soon in the Clubhouse!
