SCENIC GOLF COUNTRY CLUB

Presidents Report-

Hello Scenic Members,

This month I'm providing a brief overview of Scenic's Board. As most of you know, the Board is made up of nine members, three of whom are elected each year by the Scenic membership for three-year terms. Board members and officers for 2021 are Linda Voss (President), Butch Wagner (Vice President), Karan Garner (Secretary), Loretta Rollo (Treasurer), Jan Galler, Jim Dunn, Dody Yahn, Dan Georgevich, and

Dave Frazier.

The Board has a formal meeting every month except February, and may meet more often, as needed. We have three active committees, which are 1) the Capital Improvement & Planning Committee, 2) the Greens, Tees, and Landscape Committee, and 3) the Clubhouse Committee. Board members are actively involved in the committees and other projects at the Club, as well as being avid golfers.

We want to make Scenic the best club possible. If

you have any questions, comments, or suggestions, feel free to reach out. I look forward to seeing you at the club.

Scenic Members-

The golf course is starting to shape up nicely. We finished the aeration on greens and tees last week, and you should see a better playing condition in those areas, you should see the benefits very soon.

A Few projects coming up this month, repair the sod areas to the left and back of #1 green, that we had fixed tile last fall, and also we plan on starting the bunker

project to the front left on #1 green. We will also be seeding and matting the mound on #12. Also, areas are marked ground under repair, with white lines, and you get a free drop in those areas if you choose. Thanks, hope to see you out on the course soon,

Nathan Beach

Superintendent

GTL

News

APRIL 2010

The Greens, Tees and Landscape Committee met on April 21st with a full agenda for the upcoming season. The meeting was attended by Nathan Beach, our new Greens Superintendent. He outlined his plans for Scenic and we are excited to help him make those plans a reality. A new bunker is going to be constructed to the left of #1 green which will help alleviate the standing water that usually collects there. He is already starting to repair the water damage caused on number 11 and 12 fairways. New green tee markers will be replacing the "green sticks" that presently mark the very forward tees. If you have played recently, you may have noticed that Nathan outlined in white paint, "the ground under repair" areas. Landing in those areas gives you a free

lift out of those areas. We would like to thank Mr. Beach and his crew for the hard work they have put in to get Scenic ready for play.

Mark this date on your calendars. The GTL Committee will be hosting our annual "Buck and Doe" Tournament on Friday, June 13 with tee times starting at noon. Right after the tournament, you are invited to join us for the fish fry and prizes. There will be a sign-up sheet in the pro shop as we get closer to the tournament. Proceeds from the tournament will go to special projects sponsored by the GTL. If you have any ideas for projects, or would like to serve on this committee, please let me know, Butch Wagner
